# How to turn on Original Sound in Zoom
(Computer)

1. After you enter the meeting, click on the small caret (^) next to the audio button.

2. Click on "Audio Settings"

3. Scroll all the way down to the bottom of the window, and click on "Advanced"

5. Select "show in-meeting option to 'Enable Original Sound' from microphone" AND "High fidelity music mode"

6. Close the settings window, and go back to the meeting. You should now see "Turn on Original Sound" on the left hand corner. When you click on it, that will turn on the original sound. When the sound is on, you should see "Turn off Original Sound".
